

Skyridge Youth Football Parent & Player Code of Conduct

This Parent and Player Code of Conduct is required for all parents to sign in order for their children to participate in our football or cheer programs. It is our expectation of what type of parent support and behavior is acceptable and appropriate to support the children participating in our programs. Parents should read, understand and sign this form prior to their children participating in our league.

The Skyridge Youth Football program has a history of being the best in providing a positive sportsmanship environment for our players. As a Skyridge Falcon we require our parents and players to:

1. Encourage members of both teams.
2. Keep all comments positive.
3. Only players, coaches, board members and game day parent volunteers are allowed on the field.
4. Leave coaching to the Coaches. If you have suggestions, please ask to speak directly to the Head Coach after the game. If you would like to coach next year's team, please volunteer so you can attend the mandatory coaching clinics, pass the background check, and study and pass the required coaches written tests.
5. Not engage in any unsportsmanlike conduct such as: criticizing, booing and refusing to shake hands. Abusive language, cursing or yelling at the officials, coaches, players (of both teams), opponents or fans will not be tolerated. This is youth sports, everyone makes mistakes.
6. Be a positive role model and encourage sportsmanship by showing respect and courtesy and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or sporting event.
7. Understand that parents are responsible for all family members and guests attending the games to watch my child.
8. Help us make this a positive experience for all remembering that children participate to have fun and grow and that the game is for the youth, not adults.
